

BE PART OF THE PUB REVOLUTION - BECOME AN ALE HUB FRANCHISEE.

Ale Hub was founded in 2019 by the McDiarmid family, lead by Connor McDiarmid. Expanding rapidly across the Midlands, and now operating nine outlets, Ale Hub offers a high-quality range of cask and craft beers, spirits and cocktails, all at reasonable prices. They create a cosy traditional bar atmosphere with a community feel. Ale Hub Bars are designed for an adult clientele and do not offer food.

By concentrating on the service of quality drinks at reasonable prices and paying attention to high standards of cellar management and cleanliness, Ale Hub has built the business on attention to detail and customer retention.

For more information on Ale Hub and our bars see our website – www.alehub.co.uk

Ale Hub can now offer a Franchise Package with expertise and experience of running remote outlets which will allow the Franchisee to quickly learn what it has taken the McDiarmid family many years to perfect.

If you would like to be part of the growth of Ale Hub, running your own bar with the help and support that this well-designed Franchise system provides, send your details to Connor McDiarmid at info@alehub.co.uk
